 SUBJECT : Fraser Subcommittee Request for
 Unclassified Information Summary
 REFERENCE : OLC 78-1635, 5 May 1978

We have received a request, attached, from the House Subcommittee on International Organizations which provides a summary of information based on material from our reporting which the Fraser Subcommittee asks we review and permit them to release presumably in preparation for their upcoming public hearings. The material which includes a page of our reporting, some of which is as recent as June 1976, may require some negotiation or alternative presentations as we have done in the past. While there is no specific deadline, we would request your earliest attention. You will also note in the attached letter that they care to interview Chief, FR Division, as soon as possible. We have taken care of this directly.
